Shell Amore'

Size: 9 inch Square

To certify that this Energy Coaster was created by Artist Meshell Lane using Vibrational Therapy products by **VibesUP**

Shell Amore' has the style and feel of 'Vintage Coastal'. It's filled with the stones of Love, represented by the Rose Quartz hearts in each corner and around the center circle. The vintage - time - worn feel of the ocean polished glass brings a feel of nostalgia. Summer vacation at the beach with your family. A perfect to accent any décor , for the kitchen to charge all your food and drink or in the bathroom as a high energy place to put makeup, perfume, lotion or toothpaste. Put it to your ear, you might even hear the ocean, or maybe your *inner voice*...

Each distinct hand crafted coaster is made with VibesUp patented formula of over 120 therapeutic plant oils, microscopic gem spheres and Liquid Crystal tm encapsulated in resin. Each also contain the recipe for 14 of the VibesUp themes: Abundance, Allergy Relief, Balance, Clarity, Courage, Depression Relief, Energy, Health, Joy, Love, Pain Relief, Protection from Negativity, Stress Relief, and Will Power. Encapsulated within the disc are some or all of the following: gemstones in many forms, stones, shells, pearls, metal, costume jewelry, glass and other unique treasures. Kinesiology tests show that these coasters raise the healthy energy value of food and beverages in 10 seconds- also use as an energy tool for transforming and releasing negative energies and pain.
